

## **REPORT OF THE GENERAL TREASURER**

**Doug Clay**

The Division of the Treasury serves as a custodian of all funds of The General Council of the Assemblies of God and keeps an accurate record of all receipts and disbursements according to generally accepted accounting practices.

Finance reports are assessment tools that help to identify the current financial status of a ministry or organization. Therefore, I will present an overview of the General Council and affiliated entities' consolidated financial statements.

I am grateful to serve the Lord, His church and you in this capacity.
