Who Comes to General Council?

Approximately 26,000 attend General Council. Those include pastors of all ministries of the church, Christian Education directors, Sunday school workers, evangelists, missionaries, church growth specialists, family members, students, and others.

The Event, GCAG, Exhibitors and Sponsors

The General Council event will hereinafter be referred to as **"The Event."** The General Council of the Assemblies of God (or National Office) will hereinafter be referred to as **"GCAG."** Exhibitors and/or sponsors will hereinafter be referred to as **"Purchaser."**

The Purpose

The Event is a means to acquaint the Assemblies of God constituency with business and ministry resources which will benefit and enhance their ministries.

Purchasers are encouraged to display and share information about products and resources that support ministries of the local church. **The Event** is the largest gathering of our Fellowship and offers many opportunities to make valuable contacts.

Standards

The Assemblies of God is a church Fellowship. Smoking, alcoholic beverages, profanity, and immodest apparel are contrary to the church standard. The use of raffles and other games of chance are prohibited; however, drawings for free merchandise and prizes are permitted. **GCAG** reserves the right to restrict **Purchasers** which may be considered objectionable.

Eligibility

GCAG reserves the right to refuse **Purchasers** if, after the acceptance of the **APPLICATION / CONTRACT**, information is presented that would be inconsistent with the standards supported by **GCAG**.

Criteria for Eligibility

1. **Competition.** There may be occasions when a **Purchaser** may have a product that directly or indirectly competes with those offered by **GCAG** and its affiliates. These will be considered on a case by case basis, and in most cases will not be approved.
2. **Products/Services.** **GCAG** asks that **Purchasers** offer products and/or services which will directly benefit and enhance the ministries of

our churches and ministers. The following are among that which cannot be displayed and/or sold:

- a. books, CDs, videos/DVDs from other vendors (those not about/for your specific company/ministry);
 - b. food products of any kind, such as health food products;
 - c. personal care products, such as perfume and beauty products.
3. **Missionaries.** Assemblies of God appointed missionaries are not permitted to have individual booth spaces. However, they can be represented through their respective divisions and departments.
 4. **Evangelists/Itinerant Ministers.** Assemblies of God evangelists and itinerant ministers (in full-time capacity) are permitted to secure exhibit space, collectively. They may display/sell only the materials which their ministries produce (i.e., electronic media of personal ministry or personally authored materials). No third party products or services may be displayed or sold.
 5. **Churches.** Assemblies of God churches are not permitted to have exhibit space. However, booth space can be provided for Assemblies of God churches in the host city of The Event.
The exhibit should be a collective space, representing all host city area churches and coordinated through the District Office.

 6. **Church and/or Worship Pastors** (Updated 6-1-15). Assemblies of God pastors who are on staff are not permitted to have exhibit space. Itinerant evangelists/worship leaders may exhibit under certain guidelines – contact CSG for more information.
 7. **Missions Agencies** (ELT Updated 3-19-09). There shall be no missions agencies allowed (U.S. or International) without the approval of Assemblies of God U.S. Missions, or Assemblies of God World Missions.
 8. **Colleges/Universities** (ELT Updated 3-19-09). There shall be no colleges or universities allowed that are in competition with Assemblies of God schools.

9. **Exhibit Purpose.** *Purchasers* cannot:
 - a. Secure booth space simply to market products with no intent to have follow-up with churches and pastors.
 - b. Secure booth space for the purpose of providing prominence to products and services which are issue-oriented and would generate undue controversy.
 - c. Secure booth space to provide a platform to survey or test ideas – products and services are to be credible and have a proven business record.
 - d. Recruit, solicit, or sell outside of the exhibit zone (i.e., concourses, general sessions, etc.), unless included in a sponsorship package.

Application/Contracts

In order for *Purchasers* to participate at *The Event*, the **APPLICATION / CONTRACT** must be completed in its

entirety, and submitted to Convention Services Group at Exhibits@ag.org. The Executive Leadership Team (ELT) will give final approval. **It is understood this application will become a contract upon acceptance by the ELT.** For exhibit space, acceptance is based upon the location selected in the exhibit

hall, rates, terms and conditions, which all are included in the **APPLICATION / CONTRACT**. A similar process is required for sponsorship packages.

Business Profile

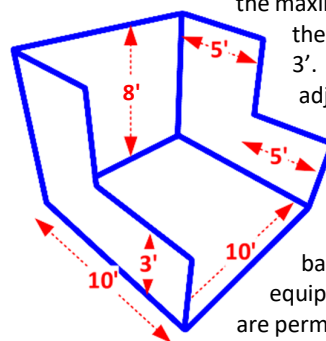

Applicants who have never exhibited at *The Event* are to provide two business references. The **PROFILE FORM** can be downloaded at www.generalcouncil.ag.org, or may be requested from the Exhibits Coordinator in Convention Services Group. If an applicant has conducted business with an Assemblies of God district office, church, or pastor, please use at least one of these as a reference. **PROFILE FORMS** are due prior to submitting an application to the Executive Leadership Team. **Note:** In the absence of references, the ELT may approve an application subject to receipt of favorable references no later than April 1, 2019.

Multi-Level Exhibits & Covered Booths Over 300 Square Feet

The definition of a multi-level booth is a structure with a level or tier atop an exhibit or portion of an exhibit, with the intention of being occupied by one or more persons. Contact Convention Services Group for more information.

OCCC Fire Department Requirements for All Exhibits
